Policy Statement

University Canada West (the “**University**”) is committed to establishing a work environment that is healthy, safe and free from workplace hazards. The University acknowledges its legal duty to ensure the health and safety of all Workers employed or engaged by the University, as well as any other Workers present at a Workplace where the University’s work is being performed.

Purpose

The purpose of this Occupational Health and Safety Policy (this “**Policy**”) is to outline the duties and responsibilities of the University, supervisors and workers, in the maintenance of a healthy and safe work environment.

This Policy has been developed in compliance with the University’s legal obligations under the British Columbia *Workers Compensation Act* (the “**WCA**”), the *Occupational Health and Safety Regulation* (the “**Regulation**”), and the policies and directives of WorkSafeBC, as amended from time to time, relating to occupational health and safety in the workplace.

Nothing in this Policy should be interpreted as limiting or restricting any of the University’s rights or obligations under the WCA, the Regulation, the policies and directives of WorkSafeBC, or any other applicable legislation.

Scope

The Policy applies to all Workers performing work for the University at a Workplace, including Supervisors and other employees of the University (administrators, faculty and staff), and contractors.
